Justin Langdon.
A millionaire genius stockbroker who started with one-digit values but now only deals in shares worth more than $1000
Dylan Barrows.
After the death of the CEO of one of the largest pharmaceutical companies in the world it was discovered that Dylan was the CEO's son and he inherited an enormous fortune
And Michael Hawkins.
A computer genius who set up an Internet business. Since then he leads the market single-handedly.
What's wrong, Michael?
Sigh
Clank
Huh?
Snigger
Snigger

How did you feel when you found out your father was actually a millionaire?
You don't get it, Dylan. Let me ask you this.
Really?

How did you celebrate when you won big on the stock market, Justin?
Don't be like that!
Ha!
Nothing much. My father was a rich man but all I found out was that he was a coward who tried to hide the fact he had a son until his death.
Um...

These men also have another thing in common. They all grew up in the Granger Home for Boys.
As well as being millionaires.

Are you still bothered about that over-the-top speech by the children's house director?
What's up, Michael?
It's just...
It doesn't really matter but
when he went on and on about how we're the pride of the home, and an example of success, I just really felt the gap between this place and reality.
I never thought the three of us would be having a drink like this together.

Hmh...
You can say that, all right. As proof none of us three are completely satisfied.
So what? There are only a handful of people in this world who are truly satisfied.
Hey, stop it, you guys.
I would rather be a boring man than poor.
Basically,
no matter how rich you get, your true nature never changes.
The same as when we were in care. Always wanting more.
Well, even if we're boring people, if the three of us get together, we can accomplish something.

When I won my next million, I moved to a place where I didn't need to put iron bars outside the window.
I didn't do anything when I won more than a million dollars.
So how did you celebrate when your company became a top company? Tell us!
...I slept 8 hours straight for the first time in 3 years...
Sigh
Gyu

It's decided, then.
Yeah.
Um... But we can evade taxes.
huh... Darn.
Come on, Justin. It was your idea!
No!
I can understand you better than I can understand anyone else.
We can understand one another's pain of suffering miserable childhoods.
We could even call one another friends.

You're not going to suggest setting up a charity or something, are you?
Hey, Dylan!
Hey.
Like what?
We would be hypocrites, but it turns us.
A charity, huh? Not a bad idea.
Hold on! Don't think so fast!
Great, I'm in, Dylan.
Tax evasion?
What?
Hmm... Charity... We can evade tax that way, too.

But it will distract us
Even if the cave inside my heart grows heavier each year with the secrets it hides.
No matter how much charity work we do...
Our lives aren't going to disappear
It's been a while...
Since I felt this good...
Cheers to that.
All right.
Can you brag us all some Scotch?
What-ever
Same with me.
I feel like this is the first time I have ever used this word.
Fr... Friends?
So I guess we've now formed the secret Millionaires Club for the purposes of tax evasion.

He's probably in the data room again.
He's probably engrossed in a new venture.
Again He can never sit still
Sigh

Oh My stomach is turning

Secretary
Knock
Knock
It's been 3 years since I became the reclusive Michael Hawkins's.
Excuse me, boss.

Bang
Oh! Sorry, Kate.
Jeez!
Huh?
Thud
but is there enough for me to put in my mouth...?
I'm fine,
Oh...

The CEO and I hadn't had much sleep
And we were exhausted
That day was contract
the west coast
also we've been working
2 months ago
The CEO and I made a terrible mistake
I found some champagne, Kate.
Let's celebrate.

Why... don't you try it?
Gulp
ゴク！
I wonder what the champagne on your lips tastes like.
Don't worry about it. I have at least 5 bottles stored somewhere.
Oh... Yeah.
He never looks at me like that.
Is he drunk on the scent of the champagne?
ドキ Thud
ドキ Thud
The way Michael looked at me and the scent of the champagne
That night I was overly excited by
Oh, you've spilled it again. The hotel is not going to be happy with us.

I can understand if you want to sue me for harassment.
But I'm hoping we can reach an understanding.
But Michael looked even worse
Squeeze
ギュッ
I was blue with anger, trying to restrain myself from screaming
I will do anything you want if you would stay.
I cannot afford to lose you as my secretary right now.

The next day Michael looked as though he'd seen hell the night before. He then told me
that it was all the case
I thought that Michael
Finally I understood how I felt about him
Kate...
Kate.
I'm sorry about last night.

What is it, Kate? You look so serious.
Hmm?
There's something I really need to talk to you about before that.
I can't hesitate! I have very little time.
Sir!

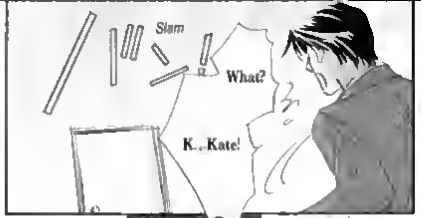
It's about that night we spent together.

My mistake was to confuse his actions that night with love.
I knew he'd be here
And I might be making a terrible mistake again.

Sir,
I need to speak with you.
Knock Knock
Oh, Kate.
Great, I needed to ask you something.
Can you look into a facility for single teen mothers in secrecy for me, please?
Sigh
But how could he?
Could he have scared me? I thought he knew

I have sacrificed everything for this company.
That will never change.
Love is something that I shouldn't have.
I actually don't care whether I am able to love.
I can't give you something that
I don't have.

I must not give up!
Squeeze
Pain
...
Turn
I thought we already talked about that.
Stop it, Kate.
I love you, not as a boss
but as a man
I...have feelings for you that I just can't ignore.
I'm sorry if I gave you the wrong impression.
But..



Slam
What?
K...Kate!

Hey.
Where's Kate?
Tut.
Tell her to come and see me when she gets out.
Okay...
Miss Adams is throwing up in the bathroom.

So you're telling me to love someone else instead.
I understand.
I...understand. So you are going to live your life never loving anyone.

I'm going to quit my job today

What's wrong, Michael? Something happen?
Call me whatever you like. Sticks and stones.
Shut up! Or I'll start calling you a cheap millionaire!
Medical research? That's going to cost the most money.
No. . Just that no one one be relied upon.
He's got a point there.
It's wrong to think that you could rely on anyone in the first place, Michael.

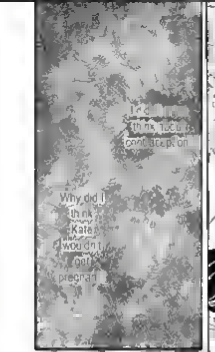
This is earth calling Michael.
コン コン
Tap Tap
Justin has been looking into an education program for preschool children.
Smile
I have been checking medical researchers.
What's wrong, Michael? You're the only one who's not doing his job.
You were in charge of looking into the facility for single teen mothers.

That's why.
Men will never be able to understand the way women ruminate.
It's something to do with their hormone balance.
During their period or when they're pregnant, they go a little crazy.
Pregnant?
"Miss Adams is throwing up."
Thud

No. — Nothing.
Shut up.
Justin!
She must have found a better job.
So dad she ran off with your money or information?
Oh, dear.
Justin.
My secretary, who had worked with me through good and bad times, left today.
No...
It's not that.
What?
You checked on her? You must have really liked her.
She was a woman, right?
No, I checked that, too.

Does this mean I asked you guys for advice?
Clang
Oh.
Hey, Michael!
Where's your head at?
Wave Wave

I'll look into the faculty for single mothers.
See you later.
Hey, Michael!
What?
He was?
What? You weren't asking for our advice?
See you.
Put these drinks on my tab.
Oh.



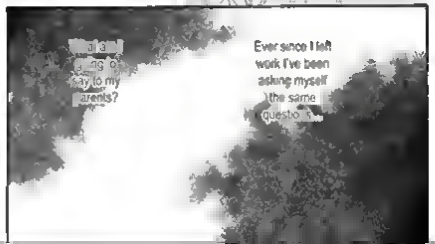
Why did I think Kate wouldn't tell me she was pregnant

Sway
I acted like a stupid teenager.

But we made love all night.
At least 4 times
It can't be! It was only one night!

No!
Don't touch Mom!
Stop it!
She's not dead!
We'll find someone
who can look after you.
Michael, what's wrong?
Michael.
...chael..
Michael.
Now let go of this hand.
Your mother has died.
Do you have any other relatives?
It'll be okay, Michael.

Flush
Slam
I threw up everything I ate for breakfast
Ugh
What should I do today...?
...



Ever since I left work I've been asking myself the same

Breathe
Breathe

Why did I dream about what happened so long ago?
Damn.

M Michael!
Bang

I have some time to think
Luckily they're on a camping holiday right now
Shake Shake

Tap Tap

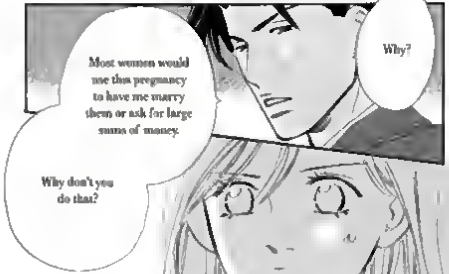
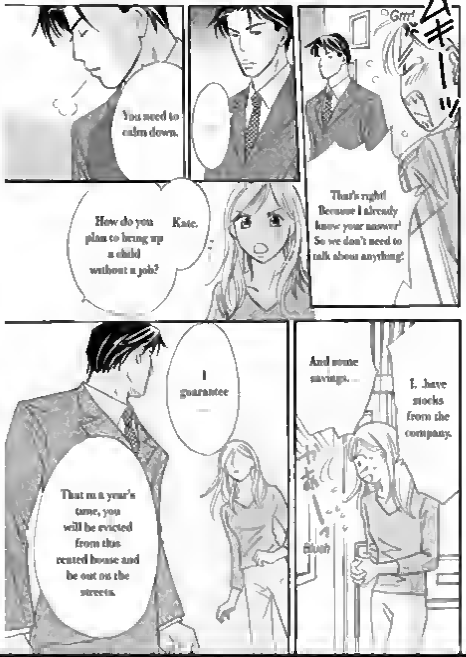
We need to talk.
Oh!
Wait, Michael.
I have nothing more to say to you.
The talk we had earlier is invalid.
Because you were hiding the most important piece of information.



Why?
Most women would use this pregnancy to have me marry them or ask for large sums of money.
Why don't you do that?

Are you pregnant, Kate?
It doesn't matter.
I have something to ask you.
Grind Grind
How dare you close the door on my foot.
Oh, I'm sorry I just.

Yes...



You need to calm down.
Grrr
Kate.
How do you plan to bring up a child without a job?
That's right! Because I already know your answer! So we don't need to talk about anything!
I guarantee
That in a year's time, you will be evicted from this rented house and be out on the street.
And some savings.
I have stocks from the company.
Blush

I want to...
What
That's why I'm asking.
You really don't know?
I wanted to... Not money or any guarantees.
...I mean, what
Why is he making me say this?
But your love!
You say it in the past tense.

I'd rather die!
Please leave!
Bang threatened Bang commanded
Like He owes it to me or something
N—
No. .
This is not like you.
Kate, calm down.
No!
Please leave!
There is only one way to solve this.
We should get married.
Sway
That's ...what I wanted him to say more than anything else!
But this is totally wrong!

I haven't told my parents about this yet!
Pl. Please!
Then this is the perfect chance.
My mother— She has a bad heart.
I don't want to scare her and put her in danger. Please, you need to leave now.
Michael, please .
We should have called her first.
That's why I told you, honey.
Oh, has Kate got a guest?
Slam
Hmph
Why do I have to leave?
Michael!
Please, you need to leave. My parents are here.
Well, we don't need permission to see our own daughter.

Smile
Katie.
He seems like an honest man. I heard he was single, but is he still available?
Tap
Oh, really? That's a shame.
Sigh

It was lovely to meet you, Mrs. Adams.
Sigh
Please stop trying to get me together with every man you meet.
Mom.
Oh.
I just want you to be happy, my darling.
Bang
Katie!
Thank you. I would love to stay and chat but I better be going.
Oh, so you're Michael! Our daughter sent us an article about your company. We were very impressed.
He came over to talk about work.
Mom, Dad. This is my boss, Michael Hawkins.
Nice to meet you.
Are you surprised? Don't worry, we won't stay long.
Mom, what's up?
Hahaha. We just wanted to see our beautiful daughter before we went home.
I thought you were still in Branson, Dad.

Grab
I won't let it happen!
I will never let that happen!
Screech
She wants
To go down that road?

Damn
Why doesn't Kate want to marry me?
Screech
Is this those hormone imbalances?
Flicker
Flicker

Slam

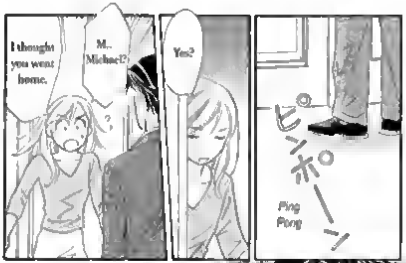
Kate.
You do not want to get on the wrong side of me.
Don't forget that I am the kind of man
who will do anything to get things done once I've decided I am going to do it.
...



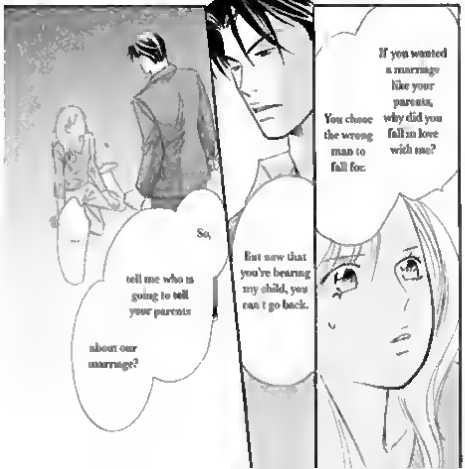
I thought you went home.
M.. Michael?
Yes?
ピンポーン
Ping Pong

I was waiting for your parents to leave.
Michael.
We haven't finished our talk.
I already told you. We have nothing more to talk about.

Hmph
I've seen a lot of children without fathers.
You're black-mailing me. Why do you want to get married so badly?
You're not just threatening me anymore...
Squeeze
You're the one who is forcing me to do this.
Michael
And what kind of despair they suffer. I felt it myself
I know how those children feel.

What are you going to do?
Like what?
Huh
You don't want to know what would happen to your mother's heart when I tell her, do you?
I will tell your mother everything, and get her on my side.
How..
Could you?
Swing

You said you loved me as a man.
Kate.



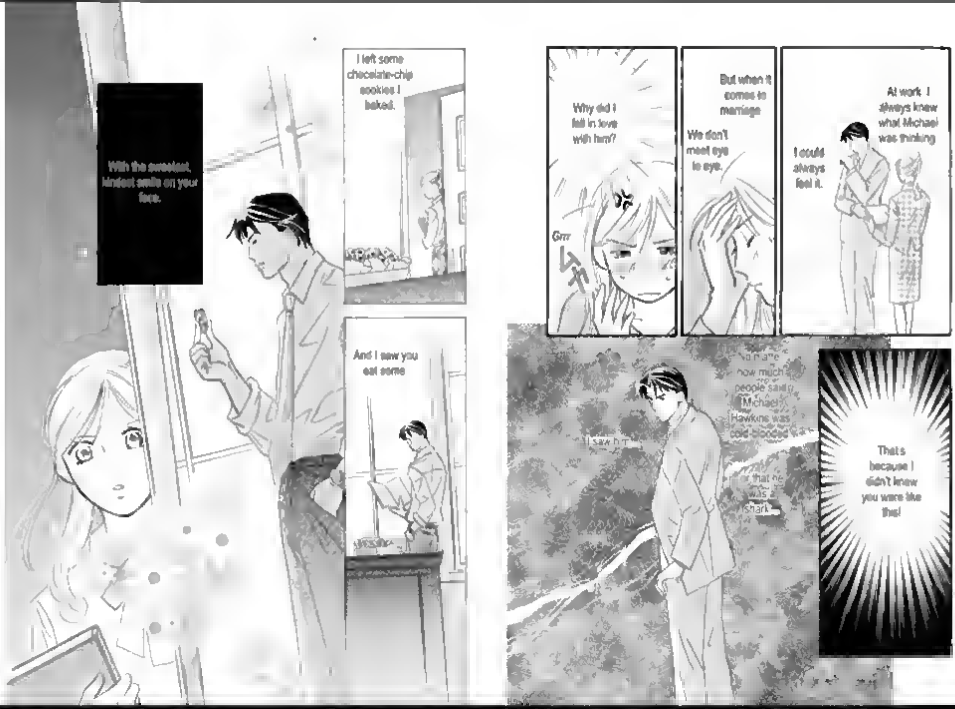
If you wanted a marriage like your parents, why did you fall in love with me?
You chose the wrong man to fall for.
But now that you're bearing my child, you can't go back.
So,
tell me who is going to tell your parents
about our marriage?

Ouch.
Do you hate yourself?
Michael..

Hate?
I don't have emotions like that.

You can't raise a child like me!
You can't do it!

Sigh
Why did this happen?
Before I had a chance to think about it,
I said yes to his marriage proposal
If not,
I don't want it
in the first place.
But
if I am going to have you.
I want everything.
Wait ..
You don't want me. So why are you doing this?
I want you.



With the sweetest, kindest smile on your face.
I left some chocolate-chip cookies I baked.
And I saw you eat some
Why did I fall in love with him?
Grrr
But when it comes to marriage
We don't meet eye to eye.
I could always feel it.
At work I always knew what Michael was thinking
I saw him
how much people said Michael Hawkins was cold-blooded
that he was a shark
That's because I didn't know you were like this!

Breathe
Breathe
Slump
I haven't even eaten anything today
Hi
You didn't answer so I had to break down the door.
I've brought a doctor.
Michael, how did you get in?
What?
Click
I don't know if I can last until the morning sickness is over

I just wanted to see that smile one more time
I baked so many times
Thud
I fell in love at that moment.

Grrr!
I'll be going now
Well,
What are you trying to achieve?
Messing around with my lifestyle from early in the morning.

Okay, we'll hold it in 2 weeks' time.
I'm not waiting any longer.
Two weeks?
I told them about the wedding, but I thought I should ask you about the date..
By the way, Kate
Did you tell your parents about our marriage?
When do you want hold it?
Trust

Is there no medicine she can take for morning sickness?
We prescribe something when it is really bad, but we don't recommend it.

But you were in the bathroom for more than 30 minutes. Why don't you just have him look you over.

Really?
Morning sickness isn't an illness.
A doctor ? Michael...
Not ! could

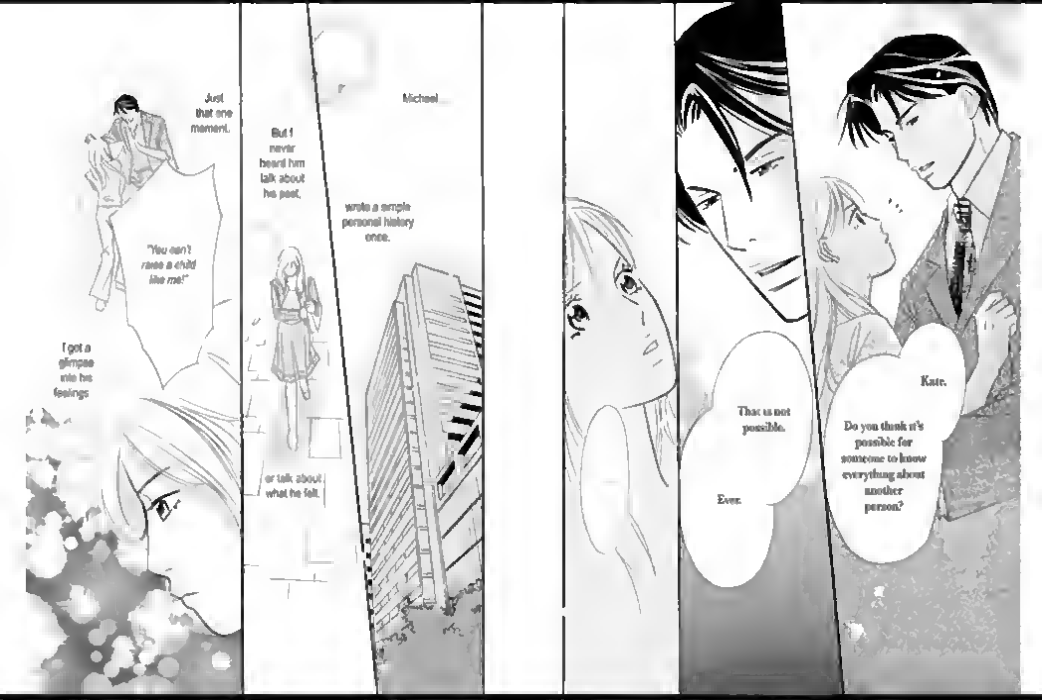
Michael!
Stop it!
Mumble
4 weeks... I don't like it.

How long does it last?

It depends on the person, but it usually settles after 3 to 4 weeks.

I want to know more about you.
Please tell me more.
Or...
Even though you don't love me
Pain
That's all changed, and now you're trying to have all of me.
Or
this marriage.
Will never work...

I can't get everything ready in such a short space of time.
2 weeks is impossible!
Oh, Michael...
I don't understand you.
Speechless
Then
1 week.
Until just recently, you had been ignoring me.
...?



Just that one moment.
"You can't raise a child like me!"
I got a glimpse into his feelings
But I never heard him talk about his past.
or talk about what he felt.
Michael
wrote a simple personal history once.
That is not possible.
Ever.
Kate.
Do you think it's possible for someone to know everything about another person?

Trouble?
What?
You are going to what?
Justin, you sit down.
And? What did you say, Michael?
Oh...
Michael, please say that again...

To keep people out of his heart.
A wall Michael built.
The closer I get to Michael, I feel it.
One thing that's true about Michael that I can believe in
I just want to see one thing.

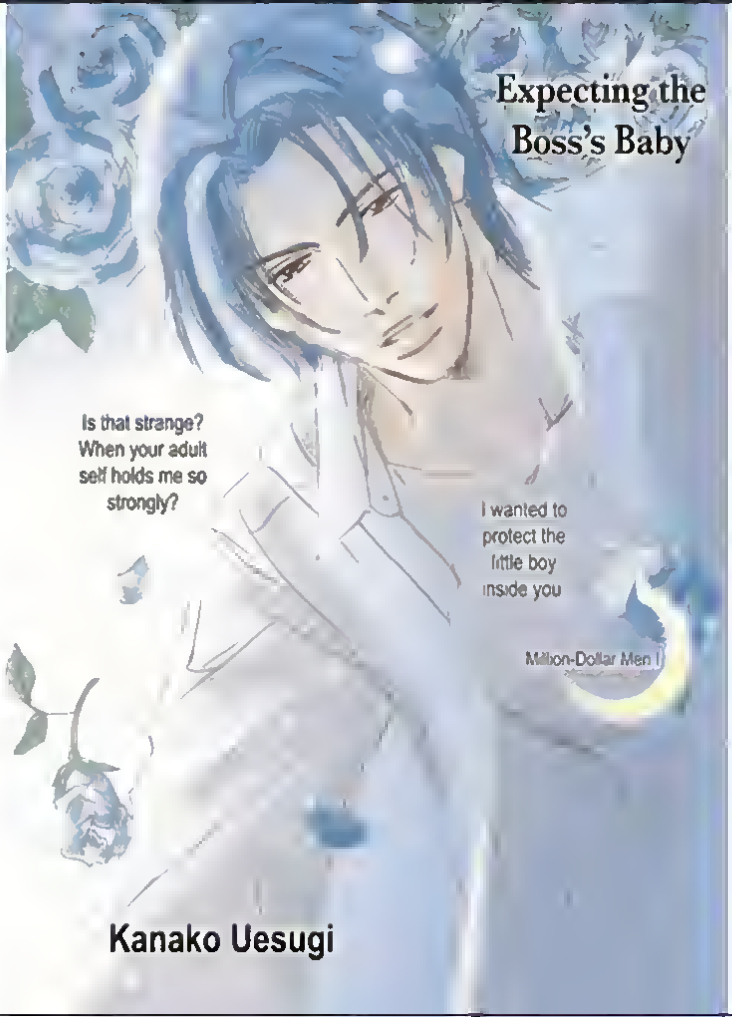
Children....
Is that why you're getting married so quickly ..?
Slurp
And if you ever have children,
they'll suck up your money even more...
Stare
Michael! You're about to make the biggest mistake of your life!
If you get married, everything you've been saving will be spent in an instant!
Stupid
Oh my God...
Justin, you should choose your words more carefully.
And?
This woman isn't the secretary you were worried about when we last met, is she?

Michael, of course we'll come.
If you're being serious.
Fine. We've said enough about that, then.
I don't believe it.
You're the only person who hates marriage more than me.
Hmph
So, I said I am going to get married in 2 weeks.
I plan to invite you but you don't have to come.

Secretary?
It couldn't be worse!
Michael, don't get me wrong. We're not against you getting married.
Kate is not my secretary anymore.
Through our experiences, we know
that nothing lasts forever. That's why we're worried.
When you get attached to one person,
the time and emotion you invest in that person...
And it's not that she will betray you
Gets taken away
when they leave.
The smallest incident could tear you apart.

The place where Michael lived since he was 6.
The Granger Home for Boys
Here it is.
Michael,
I don't want to be rude but you should make her sign a prenuptial agreement before you get married.
I would suggest that, too, Michael.
Then only your heart will be damaged, not your wallet, too.

What a beautiful girl !
Smile
Are you here to visit the Granger Home for Boys?
To be continued
Maybe I'm trying to cross into the part of his life that he wants to keep secret.
It's how this up may never end for me
Gulp
But I need to know.
Or I can't move forward!



Expecting the Boss's Baby

That's a surprise. .

Congratulations, Kate.
I haven't seen him for over 10 years,
but the Michael I know is a very good man.

I am going to get married to a man who used to live here, Michael Hawkins, and—

I just remembered something about Michael.
Oh, and...
I think there is a photocopy store down the road.
Thank you, Alma.
The kids all ran to her whenever she baked those cookies.
My mother was great at baking chocolate-chip cookies.
Chocolate-chip cookie
But usually there wasn't enough for everyone.
Thud

Is the Michael's mother?
Um, can I copy these?
Michael doesn't, um... Have any photographs of himself.
He's so little
Oh He looks so sad

Thanks...
Thank you, Alma.
It sounds like he's become rather difficult after growing up.
but there're not a lot of wonderful people like Michael.
No problem, Kate.

But he always seemed to have a cookie. Isn't that strange?
Back then, there was a boy called Harold Grundy.
He had braces on both legs, and could never get there very fast.

It was Michael.
Michael Hawkins always gave Harold his cookie.

I will never forget this
No matter how many doubts I have
Thank you, Mom, Dad.
Oh, Kate, you look beautiful.
It's like a dream.
Kate.
I am the happiest girl in the world.
I'm going to get married to the person I love.
This is more than enough for me, Mom.
If we had more time we could have prepared everything better, though.

I wasn't wrong to fall in love with Michael!
I wasn't wrong!

I want to introduce you to mean friends.
Michael...
That I have a reason to love Michael.
Um. Sorry.
That's okay.
I didn't know until recently, either.
What?
I didn't know you had friends!
Michael.
So? Did you mean it?
We...
We can talk about that later.
Was that an act or
What you used to your mother earlier.

But that's the most important thing, isn't it?
Smile

Hi, Kate. It's nice to meet you.

Aunt, thank you for coming for Michael.
Thank you.
I wouldn't have had the wedding today at this church.
If that's all I wanted from Michael

Two people who have had more success than anyone who came from the Granger Home for Boys.
Justin Langdon and...
This is Kate Adams, and these are..
Let me introduce you.
Top businessman?
Does that mean Michael's assets have reached 8 figures?
This person must be thinking I am marrying Michael for his money.
Congratulations!

Michael would be the perfect husband.
He is, after all, a top businessman.

What's happened to Michael? He's getting married without a prenuptial agreement. He's not thinking straight anymore.
.....
The fact that he doesn't realize it makes it a little difficult.
Well.
I guess so.

Justin, you are mistaken.
Michael! You made her sign the prenuptial, right?
Kate.
Excuse me.
So you don't need to say anything about that.
I am not getting married because I have no choice. I want to get married.

It's just something basic about marriage.
Really...?
I didn't know there was such a thing.
Since you don't have your father with you, I thought I should say something.
When a man gets married, there are some things his father should say to him.
Most people say that in marriage, things should be equal.
But that is not the case.

Hold it together, Justin!
How horrible... I vow never to love a woman!

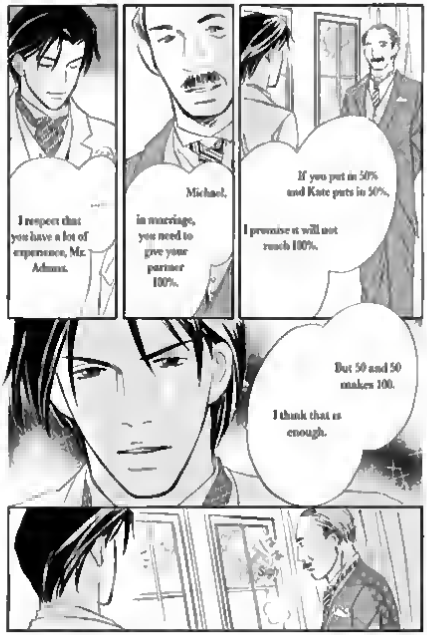
It's a strange rule, Michael.
If you give anything less than 100%, I guarantee you will end up paying a terrible price.
You must remember that, Michael.
But if you give 100%, you will get back much more than that.



I respect that you have a lot of experience, Mr. Adams.
Michael, in marriage, you need to give your partner 100%.
If you put in 50% and Kate puts in 50%, I promise it will not reach 100%.
But 50 and 50 makes 100.
I think that is enough.

Congratulations.
Kate.
Michael.

Everything will be okay

We need to sign the contract for our new home today.
Anyway, what time is it?
We can't be around today, Kate.
Yes. We've having a baby.
I hope you like it.
Michael! Our new home... You bought a house?

What?
Anyway, I don't want you to do things like this for me.

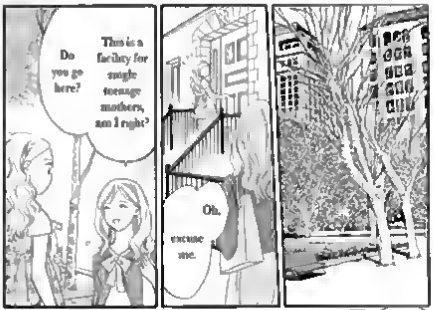
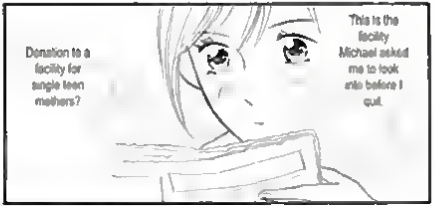
But that doesn't make me happy.
If you take that away from me what do I do?
So I wanted to at least wait for you to get home
Oh.
Then w..

Then.
What should I do?
I want.
... you to live in this house happily.
That's all I want.
Why am I here?



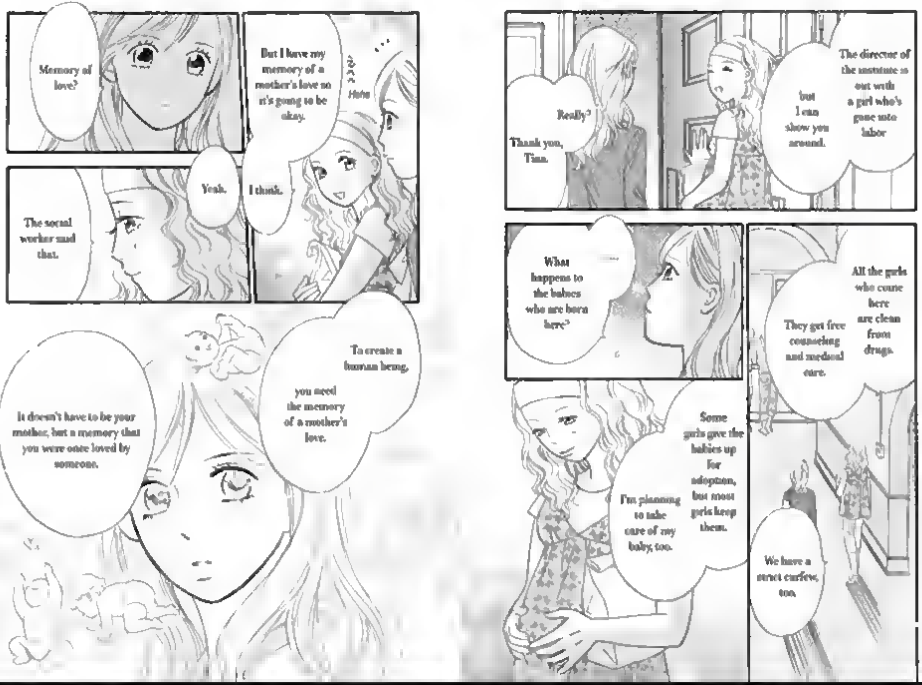
Do you go here?
This is a facility for single teenage mothers, am I right?
Oh, excuse me.



Donation to a facility for single teen mothers?
This is the facility Michael asked me to look into before I quit.

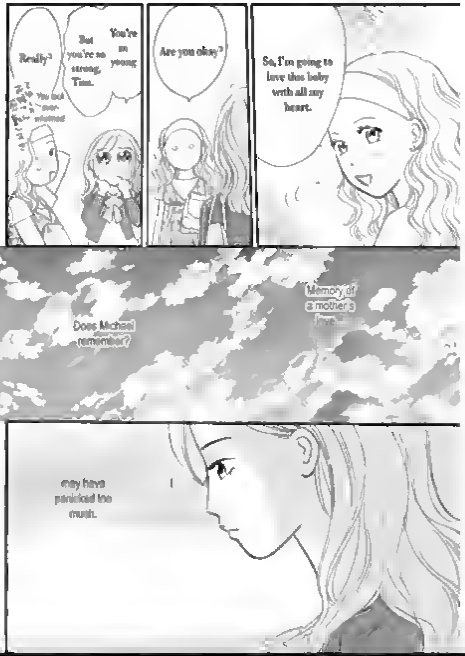
I'm not planning to just the facility.
I'm Kate. I've just reached 8 months but
I guess so. You don't look like a teenager.
Yeah.
I'm Tina. I'm 16 and 5 months pregnant. How about you?
Smile

Well,
there's no point lying about in the house!
Trud
Trud
Hold on
Michael donated this?



Memory of love?
But I have my memory of a mother's love so it's going to be okay.
Hehe
I think.
Yeah.
The social worker said that.
To create a human being,
you need the memory of a mother's love.
It doesn't have to be your mother, but a memory that you were once loved by someone.
Really?
Thank you, Tina.
but I can show you around.
The director of the institute is out with a girl who's gone into labor
What happens to the babies who are born here?
They get free counseling and medical care.
All the girls who come here are clean from drugs.
Some girls give the babies up for adoption, but most girls keep them.
I'm planning to take care of my baby, too.
We have a strict curfew, too.

Oh, hi, Michael.
Kate, what are you doing?
Hm...
need to wait for Michael to open up to me.
I'm just setting up the computer I bought today.
But, Kate, you already have a computer like that.
I'm going to donate this one.
I just wanted to set it up first.
Tap Tap...



Really?
But you're so strong, Tim.
You're so young
You lack experience
Are you okay?
So, I'm going to love this baby with all my heart.
Does Michael remember?
Memory of a mother's love
may have panicked the crush.

I went to the facility for single teenage mothers today.
The one you were talking about.
The charity was in the papers.
Michael, was it you who donated the money?
Thud Thud
Those charities ask for donations from everybody
so there's bound to be someone who would donate to evade taxes.
Oh It wasn't him
But, Michael didn't say it wasn't him either
And?
What has that owl your computer got to do with it?
Oh
The only computer they had at that facility
looked as though it was a relic from the past century. It wasn't suitable for use.
And they were looking for someone to teach computer lessons.
I was thinking I might take it up, as long as my body would allow it.

So you're going to leave this house empty every day?
I don't plan to work. It'll be volunteering.
You. . You married me.
I told you. You belong to me.
It has to be that way

You...
Kate..
Are you planning to work?
What? Michael.
Please tell me.
No..
It's nothing.

I will not let you go to a place like that where they don't even have proper facilities set up!
Stun
Anyway.
Whether you love me or not, I don't plan to let you go.
Michael.
When you say you want to make someone yours, you mean lock them up in a house so they cannot leave?

You promised that you loved me.
Do you want to prove to me
that there is no truth when a woman says she loves someone?

Michael.
I still love you.
I am not a piece of furniture
Michael is afraid.
No
That's not it.
Afraid of what?
That I would leave?

I didn't just go there.
I told you, I went to the facility for single teenage mothers today, too.
Ka.. Kane.
Michael, I..

I told you I loved you
but I never told you what I loved about you.
But I went to the Granger Home for Boys.
and I saw your photograph and I knew.
Your extraordinary determination comes from there.
You.. went there?
All of these photos that made you who you are. I love all of them.

Beep
Beep
Oh,
I left the lasagna in the oven!
About as much as your strong self.

I love
the weak and kind part of yourself that
you refuse to acknowledge.

Oh, Kate!
Rush
Hurry, hurry. Do something, doctor!
Siren
Rush
She's going to die!
Kate's going to die.
Kate is...

My baby is going to be born.
Michael's and my baby
You're bleeding.
So we're going to administer some medicine and get you into labor.
Your baby is still inside you,
Mrs. Hawkins. But we may have to induce labor.
You're going to be a mother.
You have to stay with us.

Who's shouting?
Oh. Who is it?
Kate.
My baby.
Where's my baby?
You suddenly collapsed.
You shouldn't worry about me. It's you.
Michael. Are you crying?
Poor thing...

It makes me feel love that's equal, too.. No, more than the pain I am feeling.
This pain is not a punishment.
It's pain to make sure I understand how important this baby is.
It's a moment that makes me feel God's blessing.

Breathe, Mrs. Hawkins.
Nearly done.
Aaahhh.
Haaaaaa Haaaaaa Haaaaaa
Hu
He He
Aaahhh
M Michael.
It's fine...
Hurry! Do something!
She's in so much pain.
How much longer will it be, doctor?

Oh, Kate.
Your words make my heart feel like it's going to burst.
If this is love,
then I love you, Kate.
All women give birth like this.
Your mom went through this, too.
Otherwise, you wouldn't have been born.

Kate.
I love you.
So I will say it over and over again.
I never want to lose anything anymore.
Then Then
Um...
Michael, I had a wonderful dream.
Really?
It's a healthy baby girl.
Kate, are you awake?
Yeah, but unfortunately she's in an incubator right now.
We can go and visit her soon.
Waaah Waaah

Smile
I want to share it with those miserable guys!
Because we're so happy.
Why them?
Let's ask your friends to name the baby.
